Come, Enjoy, Pass It On

BOSNIA AND HERZEGOVINA

30 Unforgettable Destinations

Those who have already been to Bosnia and Herzegovina know that the country offers a great deal: from enjoying its clear and capricious rivers, which are perfect for rafting and fishing, its large mountains that attract hikers and skiers, and its numerous caves, to visiting the country's cities with their many cultural and historical landmarks left behind by the Illyrians, Romans, Byzantines, Ottomans, Austro-Hungarians, and multiple Slavic cultures. Bosnia and Herzegovina also boasts a rich cultural and social life. If any of these things interest you, then you've found both the right book and future travelling destination!

The book "Come, Enjoy, Pass It On BOSNIA AND HERZEGOVINA 30 Unforgettable Destinations" (ISBN 978-39503785-28) from the author Amel Salihbašić is a mixture of a picture and traveler book of Bosnia and Herzegovina. The book contains 30 chapters, of which 2 are dedicated to the cities of Mostar and Sarajevo, while the remaining 28 focus on different destinations across Bosnia and Herzegovina. In total over 150 attractions and activities all over Bosnia are presented.

This book has been published in Bosnian, English, German, Italian and Turkish.

It is possible to buy it via Amazon portals in Europe and USA, bigger bookstores in Austria, Germany and the Swiss, and on many sales places in Sarajevo and Mostar.
